

Employment Opportunity

WCA Assessing is a company with over 30 years experience in providing municipalities with their assessment needs. We currently service numerous communities and assess over 12 billion in SEV annually.

We are seeking team members to service the Kalamazoo County area. Prospective applicants should possess strong communication and technical skills and the willingness to learn. Individuals experienced in residential appraisals, small claims, personal property and Board of Review procedures are sought.

WCA Assessing offers our team members very competitive salaries, 403b retirement with company contribution, medical, dental, optical and life insurance. WCA also provides educational assistance as well as many other team member benefits. WCA Assessing is an Equal Opportunity Employer. Salary is dependent upon qualifications.
